

TSU Hostel Rules and Regulations

Hostel residents are obliged to:

- **submit documents for registration** to the Department of International Relations in accordance with the established procedure and terms;
- fully comply with the rules of internal regulations, public security, fire prevention and safety standards when using electric and gas appliances;
- take good care of hostel premises, equipment and property; economize on utilization of water, electricity and gas; keep the room clean and tidy;
- **clean up food waste and wash the dishes** when cooking in a common kitchen;
- **pay for accommodation** in the hostel in due time;
- provide the hostel manager with spare room keys which should be kept there in case of emergency;
- **compensate caused material damage** voluntarily within 10 calendar days;
- not to install additional electrical appliances and radio equipment in rooms without the permission of the hostel administration;
- leave bulky and valuable personal belongings which are not subject to daily use in the luggage room;
- **inform the hostel administration** about your departure on vacation or your wish to leave the hostel **two days in advance**;
- leave personal belongings in the luggage room when going on holiday;
- turn off the lights, close the windows and doors when you leave your room; leave your room keys at the hostel reception;
- hand over the bedding, equipment and your hostel pass to the administration when moving out of the hostel;
- **show the hostel pass when entering the hostel**;
- allow the university and the hostel administration to inspect your room with the purpose of checking the safety of the property, carrying out preventive and other types of work.

Residents of the hostel are prohibited to:

- hand over a hostel pass to unauthorized people;
- let unauthorized people stay overnight without permission of the administration;
- provide living space for living to other people, including those living in other rooms of the hostel;
- change a room within the same hostel or transfer to another hostel **without permission of the administration**;
- use heating appliances (including self-made ones) electric kettles, microwave ovens, kerosene/primus/electric stoves in hostel rooms;
